

20 May 1983

MEMORANDUM FOR: Deputy Director of Central Intelligence  
FROM: SA/DCI/IA  
SUBJECT: SSCI on Central America, 25 May 1983

1. The proposed outline for your appearance before the SSCI is, as you suggested and as requested by the committee:

- a. Intelligence Assessment
- b. Operations
  - 1) Stations
  - 2) Collection
- c. Military Collection and Support Activities
- d. SIGINT
- e. Quality of Intelligence

25X1

2. I am drafting your opening statement. I propose that it focus on the intelligence assessment [redacted] with only a very brief reference to other parts of the presentation. The draft as it stands (Tab A) covers "a" and "b 3" of the outline above. Tab B is a draft statement on the quality of intelligence based on Helene Boatner's study.

25X1

3. Contributions that I have received thus far are at Tab C.

4. After you have a chance to review these materials, it might be good to get people together to review them and the game plan.

25X1
